

# VOLUNTEER

## GROUP & TEAM BUILDING PROJECTS

**Thank you for participating in our group volunteer opportunity.  
You are helping to support families in desperate need.**

As a non-profit organization based in Orange County Laura's House deals with domestic and family violence in many ways. Some are direct services, other are indirect, but just as important in terms of contributing to our comprehensive program. We work hard to provide a safe refuge to women, men and children escaping life threatening situations. But we cannot do this without the support of volunteers and community partners!

Laura's House has two upscale boutique style re-sale stores located in San Juan Capistrano and Lake Forest. These stores bring in over one million dollars a year that goes directly toward our client services, including emergency shelter, 24-hour hotline, transitional living, legal support services, counseling and community education. We are excited to offer a meaningful group opportunity at our Donation Center which is attached to our Counseling and Resource Center! A brief overview

of our organization by a Laura's House staff member will be presented to groups before getting to work.

### **DONATION CENTER GROUP PROJECT**

**WHERE:** 33 Journey, Aliso Viejo, CA 92656

**HOW MANY:** 10 or fewer

**HOW LONG:** 2 hours

**WHAT TO WEAR ONSITE:** Dress comfortable and casual! Layers are good as it is a warehouse and temp can vary.
